By public transport

- From the airport:
 If you wish, Ms. Havelkova will arrange a "company taxi" for you at a reasonable price.
 In any case, we recommend you to use the following taxi services:
 Citytaxi: phone 00420/257257257
 Profitaxi: phone 00420/844700800

- By train:
 (There is a direct connection between Vienna and Prague. The journey takes appr. 4 hours.)
 In the hall of the railway station in Prague, change directly to the underground line C (marked red) and get off at the second stop called I.P. Pavlova. Hlavní nádraží = Central Station * Muzeum * I.P. Pavlova. From the underground station you will reach the IB offices in some minutes.

By car

- From the motorway D1:
 you either drive directly from the motorway D1 straight along the main road until you reach the IB offices (direct route) – please note that Na Bojišti Street is a one-way street
- or you leave your car in the Park and Ride car park (at the underground station Opatov, where you have to pay a parking fee) and take the underground line C. Take off at the station I.P. Pavlova, this will take you appr. 12 minutes. From the underground station, the IB offices are only a five-minute walk (this will take appr. 20 minutes in total). That way, you can avoid parking problems in the city centre. (If you wish to park at the IB offices, we can reserve a parking place for you for a parking fee).
