By public transport

- By plane or by train:
It is advisable to take a taxi
By car from the airport: take the main road Brnik-Ljubljana until you reach the bypass around Ljubljana. Then, drive towards Maribor – Ljubljana North (Sever) and take the exit no. 3 (for continuation, see the above paragraph)

By car

from Tunnel “Karavanke” or Maribor:
Leave the bypass (the motorway) at the exit no. 3 – Ljubljana – Bežigrad/Center to “Dunajska cesta”. Drive straight on (for appr. 1.5 km) until you reach the stadium (Petrol gas station on your left). At this crossroads turn left (to Topniška ulica). At the next traffic light turn right (to Peričeva ulica) and then turn right at the next crossroads (to Krziceva ulica) and drive straight on till the underground parking garage (on your right).

You will find our offices in the one-storey building with a blue facade. It is close to the ex Cinema Bežigrad, near the Petrol skyscraper.
